## Huntington City Council Approves Tax Abatement and Compliance Forms May 11, 2010

Huntington, Indiana

The Common Council of the City of Huntington during its regular meeting of May 11, 2010, considered and approved a number of tax abatement issues from manufacturing companies in Huntington. In all, sixteen (16) industries were involved.

United Technologies Electronic Controls, Inc., was approved for a new tax abatement in support of a new investment of \$1,614,000.00 in new manufacturing equipment and research and development equipment. The investment retains 648 jobs and a payroll impact of \$25,311,928.00.

Fifteen (15) additional Huntington manufacturers presented compliance forms reporting on expansion and other investment projects reflecting a total investment in Huntington of \$16,533,138.00, creating 203 new jobs and retaining 504 existing positions over the life of the projects.

Companies included are:

Bryan Machine Company  
Danbar Properties & DKE LLC  
Ecolab  
Huntington Powder Coating, Inc.  
Huntington Sheet Metal, Inc.  
LSI Metal Fabrication, Inc.  
M & S Industrial Metal Fabricators, Inc.  
M & S Powder Coating, LLC  
Memcor, Inc.  
Mickley's Machinery, Inc.,  
Midwest Industrial Metal Fabrication, Inc.  
Nelson Machining & Fabrication, Inc.  
Northern Indiana Packaging Company  
Unilever Good Humor-Breyers Ice Cream  
1000 East Market Street, LLC

The Common Council of the City of Huntington voted unanimously in support of these manufacturers.
